SUPPLEMENTAL MEMORANDUM

To: Budget Committee Members

From: Ronnie Reichgelt, VOCA Programs Administrator, Federal & State Grants Unit

Date: March 12, 2020

Subject: **Addendum to previous memo re: FFY18 Victims of Crime Act Plan Adjustment**

This memo describes an additional recommended FFY18 Victims of Crime Act (VOCA) Notice of Funding Opportunity.

RECOMMENDED NOTICE OF FUNDING OPPORTUNITY

Trauma Recovery Centers

Staff recommends designating up to \$4.5 million in available FFY18 VOCA funds to issue a notice of funding opportunity in the second quarter of 2020 for Trauma Recovery Centers (TRC). The purpose of the TRC Program is to support comprehensive direct services for historically underserved or marginalized victims of violent crime and their families through implementation of the TRC model.

This TRC model addresses both the psychological and tangible needs of violent crime victims and their families, particularly those in underserved groups, through coordinated and comprehensive clinical case management, including outreach and services and the provision of trauma-informed, evidence-based mental health services.

Staff will be available at the meeting to answer any questions.
